

CAMRADATA

Investing in Chinese equities today
Look before you leap...

Sponsored by:

CAMRADATA would like to invite all Institutional Investors
to our upcoming Business Breakfast on 26th June 2019

Join Baijing Yu, a co-Portfolio Manager of the Comgest Growth China fund, who will explore the opportunities and risks of investing in Chinese equities today.

The morning will cover questions such as:

The A-share market: what types of companies are really interesting for long term investors? What about governance? What resources does an asset manager need in order to perform research on Chinese companies? What is the outlook for growth and are valuations at attractive levels?
